Call To Action

Introduction

“And they were all filled with the Holy Spirit and began to speak with other tongues, as the Spirit gave them utterance.”

Acts 2:4 (NKJV)

Pentecost! A supernatural event! An important event to look at and gain some understanding from. Why? Because it changed how God relates to His children today.

Think about this: Before Pentecost, the Holy Spirit would **come upon** God’s servants at certain times and then leave. Pentecost changed that! All in the Upper Room were **filled** with the Holy Spirit (Acts 2:4)! Something supernatural occurred **inside** them: they began to speak in a language they had never learned. The disciples received the promise of the Father just as Jesus told them they would (Acts 1:4). What a huge difference it made! About 3000 received salvation at that one event (Acts 2:13-16)! Peter declared -- listen closely -- “This is that which the Prophet Joel spoke about.” And it was! Isn’t that exciting?

The Holy Spirit PIT Benefits Package has been written to open the spiritual eyes of all who 1) have made Jesus Christ their Lord and Savior; and, 2) received the baptism of the Holy Spirit, so they can enjoy the benefits of this supernatural language (PIT). We believe this small yet very large book will bring you into a deeper relationship with the One who loves you unconditionally: God, your Father, Jesus Christ, your Lord and Savior, and the Holy Spirit, your Teacher and Guide. All 3 in One!!

PIT is an acronym we are using to refer to this supernatural language: praying in tongues. PIT also applies to other phrases used to refer to this supernatural language: personal prayer language, praying in the spirit, and speaking in tongues. This supernatural language is enabled by the Spirit and bypasses our natural mind. It is a language prayed from our spirit straight to God by using stammering lips, tongues, and voices.

As you read, you will find many scriptures with only the citations written. This is to encourage you to open up God's Word yourself and start identifying with how God sees you. You will see firsthand how important the gift of tongues is and how the other spiritual gifts will be activated in greater measure (read 1 Cor. 12:8-10 for some of these gifts) as you PIT.

We strongly believe that, as you renew your mind in God's Word and pray in tongues, the power of God that's already in you will come from the inside to the outside. We believe that effortless change will begin to happen for you and things that you could not change before will manifest. You will find yourself empowered to do what He has called you to do.

If you have not yet received the baptism of the Holy Spirit, we invite you to download a copy of [*How To Receive The Baptism of The Holy Spirit*](#). You can do so easily by copying and pasting the following into your browser's address bar: www.newidinme.com/1136-2. From there, you can download a copy.

Praying in tongues is one of the most powerful tools we have in our arsenal as believers to live the abundant life Jesus came to bring us into. It brings 1) wisdom and revelation knowledge; 2) confidence that we are praying God's perfect will; 3) cultivates intimacy with Him; and 4) many other wonderful benefits.

Knowing the benefits of PIT is an essential step that can encourage us to do something completely unnatural. When you pray in tongues, your mind becomes unfruitful (read 1 Cor. 14:14) and the mind of Christ, already in your new recreated spirit, is activated (read 1 Cor. 2:16). Don't allow discouragement to keep you from praying in tongues. Instead, keep meditating on all the benefits and let yourself pray in tongues.

While Pastor Ron started PIT almost right after being saved, that's not what his wife, Diana, experienced. Why? Because she had heard little teaching on praying in tongues or the benefits that come with it, and what she did hear, she couldn't understand. Like many

others, she had some mental blocks to praying in tongues because of a lack of understanding.

In 1986, Pastor Ron attended a church with an old high school friend. To his surprise, he saw his friend glowing from head to toe, hands raised to the heavens, praising God in a language Ron did not understand. But he knew that what his friend received, he needed. What his friend was experiencing, he wanted. It was the baptism of the Holy Spirit.

This couldn't be the same person. Nothing but joy and tears were flowing from his eyes. Wow! This God Pastor Ron had heard of -- this Jesus -- this Holy Spirit -- he wanted. Pastor Ron wanted it all. A few minutes later he was baptized in the Holy Spirit.

The same year, 1986, his loving wife, Diana was born again. The Holy Spirit drew her into a Christian church where she saw a few hundred people, almost all of them with their hands raised high to the heavens. It was something she'd never seen before. The Holy Spirit witnessed to her spirit that she was where she was supposed to be. Diana left everything she knew behind to step into this new life led by the Holy Spirit.

Still, there was little if any teaching on praying in tongues. So it took her a long time to receive this supernatural gift. One day, sitting in her car alone, she told God she wanted to pray in tongues. In faith, she started praying in tongues with just a few syllables.

Praying in tongues activates all the other gifts that Paul wrote about in 1 Cor. 12:8-10; Eph. 4:11 and Rom. 12:6-8. Stop here right now and open your Bible. Right now. Open up your Bible. Check out the gifts they mention. Meditate on each of them. For these gifts will produce lasting, eternal fruit that will glorify Jesus (read John 15:16), a major key to living a full life in Him.

It's fascinating to realize that PIT is unique for His children today. When we pray in tongues, it is our born-again spirit praying; not our mind. (Read 1 Cor. 14:14.) Until we received our newborn again spirit, the Holy Spirit could not give us this supernatural

communication with our Father. It truly is a valuable and precious gift! Make sure you learn all you can about it and use it. Don't put this gift on the shelf to collect dust. It would be malpractice in Christianity.

Be patient with yourself. Know that the Lord wants you to pray in tongues. Why? So, your relationship with Him will flourish and you will find your purpose, your direction, your gifts and your gifting. Don't allow condemnation to destroy your ability to pray in tongues because He loves you. Praying in tongues enables you to walk in the spirit and opens you up to receive from God (read Rom. 8:1). Remember when you received Jesus Christ as your Lord and Savior, the Holy Spirit came to live in you (read Gal. 2:20 and 1 Cor. 6:17).

We encourage you to study the Holy Spirit PIT Benefits Package and learn all about the many spiritual benefits that will enable you to have a wonderful relationship with all 3 in One! Expect that as you move along in this small yet very large book, you will learn spiritual keys to keep your receiver open.

Remember: The devil roars around like a lion and he will immediately try to steal this gift from you (read 1 Pet. 5:8; Mark 4:14-15). Say "No! Get behind me!" when he tries. It's your excitement and enthusiasm for this awesome gift that will make him run! Know that the Holy Spirit is always transmitting! Always speaking! Always teaching! He wants to spend time with you. Wants to be your closest friend, your comforter, your guide. But it requires some knowledge for that to happen.

If you have not yet asked Jesus to be your Lord and Savior, and want to have this awesome relationship yourself, open up your Bible and read Romans 10:9-10. You will find an invitation to download a FREE pamphlet called, *What Happens When I Receive Jesus as Lord and Savior* at the end of this book. You will be blessed and amazed at what you learn through it.

Keys To Opening Your Pit Benefits Package

Congratulations for getting this far in this study! We are excited for you. You are about to open up your benefits package. But first take time to study these four keys:

First Key: Personalize Paul's prayer for you in Ephesians 1:17-20a (NKJV):

“.... that the God of our Lord Jesus Christ, the Father of glory, may give to you the spirit of wisdom and revelation in the knowledge of Him, the eyes of your understanding being enlightened; that you may know what is the hope of His calling, what are the riches of the glory of His inheritance in the saints, and what is the exceeding greatness of His power toward us who believe, according to the working of His mighty power which He worked in Christ when He raised Him from the dead...”

Second Key: Turn on your motor by praying in tongues.

If you have received your gift of tongues, pray in tongues as you read this book. Wisdom, understanding, and revelation knowledge will come to you as you open up the related scriptures in God's Word. Have fun discovering all that God has already done for you; all that He has already given you!

Third Key: If you have not yet received your gift of tongues, be confident that you will. Right now, click here [How To Receive the Baptism of the Holy Spirit](https://www.newidinme.com/1136-2/) and download a FREE copy or type the following into your browser's address bar and download a copy: <https://www.newidinme.com/1136-2/>. Remember: Faith is “now. (Heb. 11:1.) So, by faith right now, receive this power gift.

Be patient with yourself. Don't allow worry and anxiety to have dominion in your mind. Rather, in prayer and petition, maintain a spirit of thanksgiving towards God for this gift of PIT. (Read Phil. 4:6.) Believe that you have received the gift of tongues. It will manifest if you keep believing.

Fourth Key: Turn on your supernatural love, which resides in your born again spirit. (Read Gal. 5:22.) You do this by praying in tongues (PIT).

Without this supernatural God type of love -- agape love -- the kind of love Jesus Christ demonstrated for us -- all the spiritual gifts put together amount to nothing. (Read 1 Cor. 13:1.) For God is love. And all His gifts work by His kind of love.

1 Cor. 13:7 tells us that love always trusts, always believes. God's kind of love just keeps on trusting, keeps on believing. While this may not seem possible in the natural, Jesus says all things are possible. (Read Matt. 9:23, Matt. 19:23.)

When we reach our limit on believing, God's kind of love keeps on believing all things. Wow! God's Word tells us in Galatians 5:6 that faith works by love. Philemon 6 tells us that our faith works as we acknowledge all the good things that God has put in our born again spirits.

We would encourage you to meditate on these things and start releasing from your new recreated spirit all the good things God gave you when you received Jesus Christ as your Lord and Savior. It's truly amazing! It is amazing grace.

How To Use Your Benefits

Awesome! You're making great progress. Here are some tips to help you get the most out of your Holy Spirit PIT Benefits Package. It is essential that you mark out on your calendar regular daily time for study and meditation. Grab a pen, a journal, and your favorite Bible and then turn on your favorite worship music. This will set up a supernatural atmosphere as your relationship with your Creator grows.

Next, starting with the chapter Ask and Receive, take time to study and search out the scriptures in it before you move on to the following chapter Alive and Free. Do the same for this chapter, and after studying this material, then open up your Holy Spirit PIT Benefits Package, which includes a 31-day daily devotional!

You will find yourself getting more and more excited as you start to realize how much your Father God has done for you through your Lord and Savior Jesus Christ and through the Holy Spirit.

For instance, **Benefits #1 & #2** describe how praying in tongues builds you up in your faith and keeps you in God's love. Open your Bible up to the scriptures related. For these benefits, those scriptures would be 1 Cor. 14:4 and Jude 20 and 21.

As you are studying these benefits, and meditating on the related scriptures, take time to write down what you feel the Holy Spirit is telling you. Don't rush through this. No relationship was ever built on a strong foundation without taking the necessary time.

The Holy Spirit PIT Benefits will lead you into an intimate relationship with God the Father and Jesus Christ. You will learn not just how much you are loved, but also how powerful you are in your new born-again spirit -- in your new nature. (Read 2 Cor. 5:17.) You will begin to understand the authority that you've been given and just how to use it.

So, get your favorite beverage, turn on your favorite worship music, and with pen and

journal in hand, sit down. Enjoy studying The Holy Spirit PIT Benefits Package and growing in your confidence in every area of your life.

Ask And Receive

This is so important to understand. Luke 11:13 tells us that God desires to give us the Holy Spirit and to see us take full advantage of PIT. If we will but ask, He will give it to us. But beware: the very moment you start praying in tongues, the devil will come and try to steal this gift away from you. (Read Mark 4:14-15.) He will work the same tactics he did with Adam & Eve and even with Jesus. He will taunt you with, “Did God really say.....”

Not only that but if you have not renewed your mind in the Word according to Rom. 12:2, your natural inclination will be to reject praying in tongues, because the natural mind cannot understand spiritual things. (Read Rom. 12:2 and 1 Cor. 2:14.) But press through. PIT is loaded with supernatural benefits! Become single minded (focused) and the Holy Spirit will teach you. (Read 1 John 2:27.) Let the Holy Spirit be your own personal trainer.

That's why you must get to a place where you believe in your heart that you received this gift of praying in tongues when you were baptized with power in the Holy Spirit. If you asked the Father for this supernatural gift, He gave it to you. Know that praying in tongues is a powerful gift and it is a good gift because the Father only gives good gifts. If it's not good, it's not from Him.

Because PIT is loaded with supernatural benefits, every believer should desire to operate in it. The Apostle Paul said that he wished we all prayed in tongues and that he prayed in tongues more than you all:

“I wish you all spoke with tongues, but even more that you prophesied; for he who prophesies is greater than he who speaks with tongues, unless indeed he interprets, that the church may receive edification. ... I thank my God I speak with tongues more than you all...” (Read 1 Cor. 14:5, 18 NKJV.)

It's incredible to realize that the Apostle Paul wrote 60% of the New Testament epistles under the inspiration of the Holy Spirit, according to many scholars. No wonder he wished we all prayed in tongues.

Unfortunately, some believers refuse to, or at least they'll say it's not for everyone or it's not for today. After all, 1 Cor. 13:8,10 says, "...whether there be tongues, they shall cease; whether there be knowledge, it shall vanish away. But when that which is perfect is come, then that which is in part shall be done away."

They believe that the Bible is what Paul was referring to as "that which is perfect," and since the Bible has come, we no longer need to pray in tongues. Ask yourself: Since the Bible has come, has knowledge vanished away? Absolutely not. Knowledge is increasing, just as Daniel prophesied it would in the end. (Read Daniel 12:4.)

So, the Bible could not be what Paul was referring to as "that which is perfect." Paul taught that he wished we all prayed in tongues even as he did. Why? Because he understood that the baptism of the Holy Spirit is essential. It is like a pair of tennis shoes: It comes with tongues so you can walk in the spirit. Praying in tongues is for everyone, everywhere.

The Holy Spirit wants the scales to come off your eyes so you can see and understand all the great benefits (read Acts 9:18; Eph. 1:18-20) that come with PIT. This is what happened to the Apostle Paul just before he was filled with the Holy Spirit (read Acts 9:8,17,18): something like scales fell off his eyes, and a great boldness came upon him. (Read Acts 9:20-22.)

Many Spirit-filled believers don't understand the supernatural benefits PIT has. As a result, they are not able to take advantage of all that the Holy Spirit has for them. This needs to change. The Holy Spirit lives on the inside of all born again Christians to give them revelation knowledge and make the Word of God come alive.

2 Cor. 5:17 tells us that we became a brand-new creation the instant we were born again, a brand-new species of being that never existed before. No one ever had the fullness of God in them or would dare call themselves the temple of God. (Read 1 Cor. 3:16.)

We received a brand-new righteous nature filled with the Holy Spirit. We are powerhouses filled with God's dunamis (dynamite) power -- wall to wall Holy Spirit-filled beings living on this earth. Spiritually speaking, "PIT" gives us the upper hand in this victorious, abundant Christian type of life.

The Bible says, "My God will supply all of your need according to His riches in glory by Christ Jesus" (read Phil. 4:19). And He has! Inside every born-again believer is the same spirit of God who created the universe, the earth, and everything living in and on it. (Read Genesis 1.) We have God's raising from the dead creative power (read Eph. 1:19) living on the inside of us! God said it and it was so. (Read Genesis 1:3,6,9,11,14.)

See yourself as God sees you: a supernatural being, heir of God, and joint-heir with Christ. (Read Romans 8:17). Jesus Christ came to restore relationship between you and God the Father. (Read John 3:16-17; 17:3). Jesus died to set you free. (John 8:36; Galatians 5:1.) PIT will help you stand firm in these truths. And then ask in faith and believe that you have received.

Alive And Free

The Bible says we're alive; alive to God. (Read Rom. 6:11). As a believer, you have something extraordinary: You have God's power – the Holy Spirit – living on the inside of you, and He's there to teach you all things. (Read John 14:26; 1 John 2:20,27.) In the Greek, that word “all” means “all.” In other words, there is nothing that the Holy Spirit cannot teach you. Nothing. PIT offers so much for anyone who wants to live a victorious life, not just in this world but in the world to come.

Say out of your mouth, “I have the mind of Christ. I have the unction from the Holy Spirit and I know all things. I have the favor of God, the favor of man, and a good understanding.”

Don't get into fear, speaking out doubt and unbelief. Remember: You're more than just human. And the Holy Spirit will not agree with your anxiety, uncertainty, and disbelief. PIT will keep you spiritually minded instead of carnally minded, which will lead you to life and more life instead of death and more death. (Read Rom. 8:6,10.) Praying in tongues will activate the mind of Christ that is in your born-again spirit. (Read 1 Cor. 2:16.)

Opening Your Pit Benefits Package

Yeah! You've made it this far. Keep digging. The greatest treasures in life require persistence and confidence. Now, here's the first two benefits we are going to study.

Benefit #1: When you PIT, you are building yourself up in your most holy faith and **Benefit #2** keeping yourself in the love of God. (Read 1 Cor. 14:4; Jude 20,21.) If these were the only two benefits praying in tongues had, it would be awesome. But there are many more benefits to praying in tongues!

Because God, your Father, loves you unconditionally, He will not force this beautiful gift on you. He leaves it up to you to choose whether to pray in tongues or not. Just as a light switch turns on the light, you can "flip" the switch on the Holy Spirit any time you want by praying in tongues!

You've got the power of the Holy Spirit resident in you. Let Him work! **Benefit #3:** When you PIT, the Holy Spirit takes hold together with you against whatever infirmity, weakness, feebleness you have or when you don't know what to pray for:

"Likewise the Spirit also helps in our weaknesses. For we do not know what we should pray for as we ought, but the Spirit Himself makes intercession for us..." Romans 8:26 (NKJV)

When you start praying in tongues and operating in faith, believing that praying in tongues is a supernatural gift, then the Holy Spirit comes alongside you and helps you pray the perfect will of God! But you must take the initiative. You have to start the engine, so to speak.

Romans 8:28 is a familiar scripture to many and very powerful, and is also one of the most abused scriptures used by the church today. There is so much more to speak on this.

"And we know all things work together for good for those who love God; to them who

are the called according to His purpose.”

While it's true that you can be confident that God desires that all things work together for your good, there are a few things you need to do: 1) love God; 2) be about your Father's business, which is to bring you into the abundant life (read John 10:10 for Jesus' purpose) -- and 3) PIT. (Read Rom. 8:26-28.) Then we can be confident that all things will work together for our good.

The Holy Spirit is also called the Comforter, and He wants to comfort you in all your tribulations so you can comfort others. (Read 2 Cor. 1:4.) God, your Father, has already made the provision for you. So, don't look anywhere else for peace: shopping, material possessions, food, etc. Look to the Holy Spirit.

The Holy Spirit is the answer to whatever you face. Recognize that God, your Father, loves you so much that He gave you the Holy Spirit and the ability to pray in tongues. He wants you to operate in the gift of praying in tongues more than you want to. And again He only gives good gifts. If it's good, it's from Him. If it's bad, it's from the devil.

Benefit #4 - PIT is your heart's voice, and the Holy Spirit gives you utterance -- enables supernatural expression, vocalization -- as the human mind gives you thoughts to speak. (Read Acts 2:1-13.)

Benefit #5 - PIT empowers all the other supernatural gifts. But we must sincerely desire these gifts to operate in them. (Read 1 Cor. 12:31.) The gifts of the Holy Spirit are always flowing. God doesn't turn them “on” and “off.” We are the ones who turn the knob to “on” or to “off.” The Lord is always ready to flow through us in the gifts of the Holy Spirit! This is crucial to understand, so we keep the knob turned to “on.”

All these fantastic benefits and yet there are still more in the Holy Spirit PIT Benefits Package. That's why we strongly suggest that you take your time reading this book and going through the 31-day daily devotional included. Don't rush through it. Rather take the

time to open up God's Word and study the related scriptures in each of the daily devotionals. Remember: seed... time... harvest.

Let His Word speak to your spirit as you read it and pray in tongues at the same time. Then meditate on what you learn day and night until these spiritual truths sink deep within the soil of your heart and start flowing out of your soul, causing 1) healing to manifest in your body; 2) revelation knowledge and understanding; and 3) provision to come. It will be time well spent.

So start praying in tongues and believe God's Word. Put on God's armor and PIT at all times. (Read Eph. 6:17-18.) The Holy Spirit will supernaturally energize you!

(Read 1 Cor. 14:2.)

Day 17:

In today's PIT time, focus your attention on accessing wisdom and revelation knowledge.

(Read Eph. 1:17,18.)

Day 18:

In your PIT time today, watch as God's Word opens up to you from a divine perspective.

(Read 2 Peter 1:2,3.)

Day 19:

In today's PIT time, focus your attention on exercising and powerfully using the armor of God. (Read Eph. 6:18.)

Day 20:

Today, as you PIT, know that you are opening up a door of spiritual utterance and boldness. (Read Acts 4:31, Eph. 6:10,14,18.)

Day 21:

In today's PIT time, focus your attention on walking in the spirit. (Read John 6:63.)

Day 22:

As you PIT today, be confident that you are opening the heavens up and changing the atmosphere around you. (Read Eph. 5:18-19.)

Day 23:

In your PIT time today, focus on fanning into flame the fire of God inside you. (Read Matt 3:11.)

As you read these scriptures, look up in the Greek the word “edifies.” It is from the Greek word “oikodomeo.” It will open the eyes of your understanding to what has already been powerfully accomplished in the spiritual realm. You will not want to quit!

Day 31:

AND FINALLY, as you PIT today, focus on being strong in the Lord and in the power of His might...praying always... in the spirit.” (Read Eph. 6:10,18 NKJV.)

Now Go For It!

We rejoice that you have learned about all the many spiritual benefits your loving Father in Heaven has given you through the Holy Spirit as you PIT.

With so many amazing benefits, we would encourage you to keep meditating on them day and night. In fact, keep meditating on the scriptures that have spoken to your heart. Keep focused on them. And use them as God intends you to. You are His child and He has given you these spiritual weapons to fight the good fight with.

If you have not yet received this gift of praying in tongues, we would encourage you to ask the Father for this gift and believe you have received. Then yield your tongue to the Holy Spirit. Let your voice and tongue begin forming syllables in a language you don't know from within your heart to your mouth around what your spirit desires to release. As you speak them out loud by faith, you're releasing God's power, and speaking directly to Him. (Read 1 Cor. 14:4,14; 2 Thess. 1:11.)

Remember: You can't pray in tongues from your brain. This gift works from your heart. You supply the sounds; the Holy Spirit provides the utterance – supernatural words unknown to you.

Like King David, encourage yourself in the Lord your God. (Read 1 Samuel 30:6.) Pray in tongues as you study the scriptures. You will receive revelation knowledge in your heart that will encourage you in your walk with the Lord.

About The Authors

Pastor Ron has been in marketplace ministry over 23 years and loves business. He ran several profitable corporations. As a community leader, he helped business to grow by his prophetic nature and praying in tongues. He has a community vision and has had the privilege of traveling through the United States and abroad, working to create leaders in business and ministry.

A deeper call of God came when Jesus asked him to go to Bible college. With increasing revelation knowledge from the Holy Spirit in relationship with the Father, Pastor Ron received a purpose and a plan to train business leaders and the church with the almost too good to be true news of the Gospel with demonstration of the supernatural becoming tangible in the natural. He's known to move in special miracles, healing, and finances.

He is the founder of New Identity Ministries and has helped to start four churches which are still active. One was a church plant for people in a reconstructive rehabilitation center in Colorado Springs.

His revelation on who we are in Christ has impacted many. In addition, he and his wife

have spent countless hours volunteering at nursing homes and rehabilitation centers, with signs, wonders and special miracles.

A passion for souls and to see people saved, healed, delivered and discipled continues to guide his efforts as he tirelessly works to reach towards the goal of discipling believers in Christ and establishing grace through faith churches.

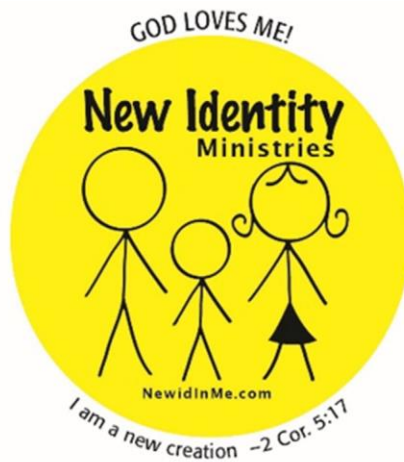

Together, he and his wife, Diana, have studied the Bible for over 6 solid years under powerful men and women of God. Diana is the backbone of the ministry. She partners with her husband in ministry and in business and is completely for her husband as he follows Christ.
